## Competition Workshop - ages 5+

**If you want to compete for the Dance Center of Spokane this year please read this and sign up for classes!**

**August 22nd–August 25th Cost: \$50 (1-2 numbers) - \$85 (3 or more numbers)**

**Monday-Thursday 4:00-8:30**

**(Some students will only be dancing part of each evening)**

Anyone interested in competing in All-Styles next year needs to 1) audition (see next paragraph) 2) Attend the competition workshop 3) fill out a Competition Sign Up Form with their parent . The form will be available in the office by June 20th. Forms should be turned in by **Aug 8th**. Decisions as to what groups your child will be in for 2011/2012 will start that week.

Our audition process consists of all the teachers working with the competition students over the course of two weeks. The two weeks consist of the one week Jazz Intensive and one week of Summer Dance Intensive and/or Dance Camp. **The dancer is required to attend Session 2 of the Summer Dance Intensive or Dance Camp offered for their age group if they want to compete this year!** We are assessing the dancers ability and watching how they relate with each other and their teachers over the two weeks. The instructors will then decide who will be in their dances.

We will post what dances they have been chosen for as well as the schedule for the Competition Workshop on **August 18th at 8:00PM**. During the year your child will be expected to take the appropriate classes and maintain a 75% in order to compete.

Dancers who want to be considered for a number with Dave Massey or Ciara Murano-Steele must attend the Jazz Intensive. **Attendance does not guarantee a spot in their choreography.** They intend to be selective and choose students who they feel are suitable for their choreography. The cost for Dave and Ciara groups is \$175.00per person. The Director, Dave, or Ciara reserve the right to add **new** students at any time.

Solo, duo, and trio inquiries for all Dance Center choreographers will be available on June 20th.

**To register go online to print a registration form or call:**
