**3 days only!!! August 24th–August 26th Cost:** \$40(1-2 numbers) - \$60 (3 or more numbers)

**Monday-Thursday 4:00-8:30 (Some students will only be dancing part of each evening)**

Anyone interested in competing next year needs to 1) audition (see next paragraph) 2)Attend the competition workshop 3) fill out a Competition Sign Up Form with their parent . The form will be available in the office by June 8th. Forms should be turned in by **Aug 10th**. Decisions as to what groups your child will be in for 2009/2010 will start that week.

Our audition process consists of all the teachers working with the competition students over the course of two weeks. The two weeks consist of the one week Jazz Intensive and one week of Summer Dance Intensive and/or Dance Camp. **The dancer is required to attend Session 2 of the Summer Dance Intensive or Dance Camp offered for their age group if they want to compete this year!** We are assessing the dancers ability and watching how they relate with each other and their teachers over the two weeks. The instructors will then decide who will be in their dances.

The students will be divided into different teams according to ability and work ethic. The teams may be titled Senior, Teen, Pre-Teen, Junior, Small Fry and Mini's. We will post who is on which team, what dances they have been chosen for as well as the schedule for the Competition Workshop on **August 20th at 8:00PM**. Please remember that every year is different and as your child grows and changes we will strive to put them in the best place possible for them to succeed. During the year your child will be expected to take the appropriate classes for their team level.

Dancers who want to be considered for a number with Dave Massey or Ciara Murano-Steele must attend the Jazz Intensive. **Attendance does not guarantee a spot in their choreography.** They intend to be selective and choose students who they feel are suitable for their choreography. The cost for Dave and Ciara groups is \$175.00per person. The Director, Dave or Ciara reserve the right to add **new** students at any time.

Solo, duo, and trio inquiries for all Dance Center choreographers will be available on June 8th.
